**Dear Scott,**

**My wife and I would like to extend to you our heartfelt gratitude for being there for us. Scott, you were the only Attorney to believe in us and to see merit (the truth) in our case against my Ex-partner and his Wife. You were able to see how much these people financially and mentally hurt us, and destroyed our Business.**

**Because of your legal knowledge, fortitude, and bull-doggedness, you won our case. Before we met you, your legal peers looked down their noses at our case as being too hard to take on and not being financially worthwhile.**

**You have always been there for my wife and me; the late nights, and the many weekends. We worked on the case together during many odd hours.**

**Without you Scott, we would not have been able to put this behind us and go forward to start a new business.**

**We hope that if any of your future clients wish to call on us to verify anything about you or your staff please doesn't hesitate in giving them our phone number.**

**This may sound corny, but you were our last "Ditch Effort" and are our "Hero."**

**Sincerely, and with a very Heartfelt Thanks,**

**Paul S. Svane & Carol L. Svane**
